ADOPTION FOLLOW UP PROCEDURES

After a pet has been adopted into a new home, an ARR volunteer needs to call the adopters to see how the new pet is adjusting. After each follow up call, the volunteer should email call notes to our Petpoint Administrator, Meghan Chancy-Foster (arrmeghan@gmail.com) for input to the pet's record.

Please provide information below and fill in comments after your call, then email to ARR after each call.

Suggested questions:

1. How is the pet doing overall?
2. Is he/she fitting in well with your family and other pets?
3. Any health or behavior issues? If so, contact Dog Division or Cat Division for resources.
4. Thank them again for adopting from ARR, giving this pet a home, and encourage them to send pics and email updates! **Note: Remind them on the last call that if anything should happen in the future where they aren't able to keep the pet, they need to contact ARR and return the pet to ARR.**
