

ANIMAL RESCUE OF THE ROCKIES

FREQUENTLY ASKED QUESTIONS FOR FOSTER HOMES

Congratulations! You have become the newest member of the Animal Rescue of the Rockies family! We know you have many questions and we want to do everything possible to make this a smooth process and a positive experience. Although our Foster Care Guidelines, in conjunction with your Foster Coordinator's expertise, are the best source for answers to all of your questions, we have put together a list of Frequently Asked Questions as a quick reference.

- **Who do I contact if I have questions?**

Please contact your Foster Coordinator, _____, at

_____ or call ARR's help line at 970-389-8324 with any questions or concerns.

- **How long will I have my foster dog/cat?**

The length of time a pet is in foster care can vary greatly depending upon several factors (age, health, breed, temperament, etc.). The average time a pet is in foster care is between 1-2 months.

- **Can I change my foster pet's name?**

For recordkeeping and documentation, ARR needs to keep the pet's name as is to avoid confusion.

- **What do I do in case of an emergency?**

Always contact your Foster Coordinator if there is an emergency. If you are unable to reach your Foster Coordinator, call the main ARR phone number at 970-389-8324. For life or death emergencies, take your foster pet to the nearest open veterinary clinic.

- **When my dog/cat is sick or injured what do I do?**

If your foster pet is sick or injured, please contact your Foster Coordinator to schedule a veterinary appointment.

- **I don't have a crate, food, or other supplies. Do I need to buy these items?**

As a non-profit organization, ARR depends upon the generosity of our volunteers, fosters, and donors to save shelter pets. Luckily, we receive some donations of food, crates, and other

supplies. These items are available to our fosters if we have them. Should we not have food available, we do have to rely on fosters to provide food for their foster pet.

- **I am experiencing some behavioral issues with my foster pet. Who do I contact?**

Please contact your Foster Coordinator. ARR is fortunate to have a few trainers willing to work with our fosters and their foster pet. Your Foster Coordinator can put you in touch with a trainer.

- **I received paperwork when I picked up my foster pet. What do I do with the paperwork now?**

This paperwork is VERY important. It becomes part of your foster pet's permanent record and allows us to get your foster pet listed on the website, scheduled for vetting, and entered in our system. Please scan in any paperwork and email to arrcolorado@gmail.com or fax it to 303-648-4678.

- **When will my foster pet see the vet and how do I get an appointment scheduled?**

ARR uses an intake process that ensures all of our pets are scheduled for a vet appointment as soon as possible. Most pets will be scheduled within a week or two of arriving in your home. Our vetting schedulers will contact you to get this appointment scheduled.

- **My foster animal is meeting a potential adopter. If they want to adopt, can I let them take the pet home?** All adopters are required to complete paperwork, have a home visit, and pay an adoption fee before taking their new family member home. We also need to ensure that all vetting has been completed and that we have a microchip number for the pet in our records. Our adoption coordinator will advise you when your foster pet can go home with an adopter.
